

NEW from Fiberon-Sanctuary: We Found Your Next Oasis for Rest & Relaxation!

Fiberon Sanctuary: Latte

PermaTech capstock construction

- Our Three-sided PermaTech capstock construction resists staining and fading.

Bold, high-traction wood grain resists dirt buildup.

- Our most detailed wood grain to date keeps your deck cleaner, longer.

Multi-tonal colors with updated streaking

- Creates a realistic look similar to traditional wood deck boards.

Backed by a 40-year performance warranty and a 40-year stain and fade warranty.

- 1 2 new colors – Chai and Moringa
- 2 95% recycled wood and plastic.
- 3 Resists splintering, rotting, cracking, insects, and decay
- 4 40 – year warranty
